### **DIGEST**

In 1965, the legislature sought to accommodate a nascent body of federal constitutional law in which courts held that each poor person must have the opportunity to obtain legal representation at state expense if the state wished to incarcerate the person for a crime. S.B. 247 will establish defense and pretrial information gathering standards for indigent people who are accused of a crime.

### **PURPOSE**

As enrolled, S.B. 247 establishes defense and pretrial information gathering standards for indigent people who are accused of a crime.

### **RULEMAKING AUTHORITY**

This bill does not grant any additional rulemaking authority to a state officer, institution, or agency.
